PORT ARTHUR

TYPE OF SCHOOL AGENT TRAINING

MANCHURIA

info undated. Source
unknown. MB's info 1947

CIRRICULUM

The school is divided into five departments.

1. The Tutor Department--indoctrinates students in Communist ideology
2. The Registration Department-- handles administration for the school and for native Communists who wish to go to the Soviet Union for education
- 3/The Military Department--investigates applicants to eliminate anti-Soviet elements. It also eliminates politically unreliable elements in the school
4. The Publicity and Propaganda Department--handles Soviet propaganda in the school and assists in the training of propaganda agents at the school. It also puts out pro-Soviet and anti-American propaganda in the local area.
- 5.The Executive Department--trains espionage agents, Its members also investigate graduated agents who have been captured while on a mission or who for some reason have not returned to their base.
